## POWER TOOLS

### CORDLESS POWER TOOLS

R-PRH18-XL2  
**RawlHAMMER**  
provides the best  
drilling performance  
thanks to 2J and high-  
frequency hammer

R-PIW18-XL2  
**RawlWRENCH**  
impact wrench on the  
moment torque 1000 Nm  
tighten each anchor  
to concrete and steel

R-PID18-XL2  
**RawlWRENCH**  
multifunctional  
tool holder that  
allows uses various  
accessories

R-PDS18-M2A  
**RawlDRIVER**  
drywall screwdriver  
with additional auto-  
matic feeder designed  
for serial screwdriving

R-PDD18-XL2  
**RawlDRIVER**  
universal cordless drill  
reliable for everyday  
work

**NEW**  
R-PDD18-55  
**RawlDRIVER**  
lightweight drill driver  
for light and precision  
work

**NEW**  
R-PDD18-70  
**RawlDRIVER**  
Compact size drill driver  
for general purpose

**NEW**  
R-PDD18-P100  
**RawlDRIVER**  
powerful drill driver  
with percussion drilling  
for heaviest work

**NEW**  
R-PCS18-XL2  
**RawlSAW**  
Circular saw for the tran-  
verse and longitudinal  
cutting of wood and  
wood-based materials

R-PAG18-XL2  
**RawlGRINDER**  
angle grinder, an  
impact cutter and  
grinding tool

**NEW**  
R-PAG18-SV  
**RawlGRINDER**  
efficient angle grinder  
with speed control for  
general purpose

**NEW**  
R-PAG18-PV  
**RawlGRINDER**  
angle grinder with paddle  
switch and speed wol for  
grinding surface

R-CHR-181501  
**RawlCHARGER**  
universal charger for  
18V Li-Ion batteries

R-CHR-186501  
**RawlCHARGER**  
fast charger for 18V  
Li-Ion batteries.

R-BAT-182001  
**RawlBattery**  
lightweight Li-Ion 2,0Ah  
battery 18V for the  
efficient powering of  
electric tools

R-BAT-185001  
**RawlBattery**  
high-performance  
5.0 Ah Li-Ion battery  
18V for demanding  
applications

**NEW**  
R-BAT-188001  
**RawlBattery**  
high-capacity 8.0 Ah  
Li-Ion battery 18V for  
the toughest tasks

### CORDED POWER TOOLS

**NEW**  
R-PCH-421350  
**RawlHammer**  
SDS Max combi  
hammer drill for heavy  
duty applications

**NEW**  
R-PRH-26850  
**RawlHAMMER**  
Powerful SDS Plus  
hammer drill for fast  
drilling in concrete

### ACCESSORIES

R-PGL  
**Protective gloves for  
power tools**  
with special cushions to  
reduce vibration when  
working with power tools

R-RC  
**RawlCASE**  
The system's transport  
cases which connects  
to cases of different  
dimensions

R-RS-BAG-01  
**Tool bag**  
made from a durable  
heavy-duty fabric

# POWER TOOL ACCESSORIES

## DRILL BITS AND CHISELS

 <p>RT-SDSA <b>Drill bits Aggressor SDS plus</b> For fast drilling in concrete</p>	 <p>RT-SDSR <b>Drill bits Rebardrill SDS plus</b> For drilling in reinforced concrete</p>	 <p>RT-SDSD <b>Drill bits SDS plus with collar</b> For anchors with internal thread</p>
 <p>RT-IMP <b>Masonry drill bits Impactor</b> high-quality masonry drill bits consuming 20% less battery power while drilling</p>	 <p>RT-HSSP <b>HSS drill bits</b> For a precise drilling in steel and non-ferrous metal</p>	 <p>RT-HSSL <b>HSS long drill bits</b> extended, for a precise drilling of deep holes in steel and non-ferrous metal</p>
 <p>RT-AWD <b>Auger bits</b> For fast drilling in wood, without the need of applying much force</p>	 <p>RT-FWD <b>Formwork drill bits</b> For drilling deep holes in timber and light construction materials</p>	
 <p>RT-FLWD <b>Flat drill bits</b> with a reinforced shank for a fast drilling of holes, high in diameter, in wood and wood-based materials</p>	 <p>RT-DKW <b>Decking kit</b> set of drill bits and adapter for drilling holes in decking and timber</p>	

## BITS AND ADAPTER

 <p>RT-IBIT <b>Impact screwdriver bits</b> for a wide range of applications using impact drivers</p>	 <p>RT-IBIT-ADAP <b>Impact bit holder</b> for use with impact bits, for screwing screws and other fastening applications</p>	 <p>RT-BIT <b>Screwdriver bits</b> with precision milled head</p>
 <p>RT-BIT-SET1 <b>Bits set</b> high quality bits set</p>	 <p>RT-BIT-ADAP/2M <b>Bit holder with 2 magnets</b> with 2 magnets precisely holds the screws during application in a variety of substrates</p>	 <p>RT-BIT-ADAP/QC <b>Bit holder Quick Change</b> with quick bit replacement when working with large amounts of various screws</p>
 <p>RT-BIT-ADAP/SDS <b>Bit holder SDS plus</b> for bits to enable screw driving with the use of rotary hammer SDS plus</p>	 <p>RT-BIT-ADAP/60 <b>Bit holder</b> for 1/4" bits with a powerful internal magnet hammer SDS plus</p>	 <p>RT-BIT-PH2 Phillips/RT-BIT-TX25 <b>T25 long screwdriver bits</b> for roof fixings applications</p>
 <p>RT-IS <b>Impact sockets drive 1/4"</b> to overcome the high torsional forces</p>	 <p>RT-IS <b>Long impact sockets 1/2"</b> to overcome the high torsional forces</p>	

# 02

## POWER TOOL ACCESSORIES

### CHUCKS

RT-KLESSCHUCK/13

#### Keyless chuck

for use with impact and non-impact drills up to 900W

RT-CHUCK/13

#### Chuck with key

for use with impact and non-impact drills up to 900W

RT-CHUCKADAPT

#### Adapter SDS plus 1/2"

for non-impact drilling

RT-CHUCK-UNIVKEY

#### Key for chucks

for tightening drill chucks

RT-CHUCKSET/1

#### Set of chuck and adapter SDS plus

for non-impact drilling with an SDS Plus hammer drill up to 900W

### SAW BLADES

RT-JSB-W

#### Jigsaw blades for wood cutting

for straight and fast cutting of wood and wood-based materials

RT-JSB-W2F

#### Jigsaw blades for wood cutting

for precise cutting of wood

RT-JSB-W2MR

#### Jigsaw blades for furniture panels cutting

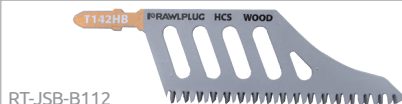

with inverted teeth for straight cutting of kitchen countertops and furniture panels

RT-JSB-M

#### Jigsaw blades for metal cutting

for easy cutting of sheet metal, ferrous and non-ferrous metals

RT-JSB-B112

#### Jigsaw blade

for straight, clean and finishing cutting of wood and wood-based materials

RT-JSB-W2MR

#### Jigsaw blades for furniture panels cutting

with inverted teeth for straight cutting of kitchen countertops and furniture panels

RT-JSB-M150C

#### Reciprocating saw blades

for easy cutting of sheet metal, ferrous and non-ferrous metals

RT-JSB-M150M

#### Reciprocating saw blades

for easy cutting of sheet metal, ferrous and non-ferrous metals

# 03 POWER TOOL ACCESSORIES

SC40 GAS SOLUTION FOR CONCRETE AND STEEL

**R-SC40II**  
**Gas powered steel and concrete nailer**  
for steel and concrete performance

**R-BAT-073001**  
**Rechargeable Li-ion battery**  
7.2V Li-ion battery for fast charging and the highest energy density, increased capacity

**NEW**

**R-CHR-072001**  
**Battery charger**  
**SC40II WW90II 7,2V-8,4V**  
intended for use with Rawlplug series batteries

**R-GP5, R-GP5-W, R-GP5-S**  
**Fuel cell**  
for use in R-SC40II gas powered nailer

**NEW**

**R-KNC**  
**Plastic collated concrete pins with fuel cells**  
for concrete applications and for lightweight steel applications

**R-KSC**  
**Plastic collated pins for steel with fuel cells**  
smooth shank galvanised pins for steel applications

**R-SC40-MC**  
**Metal clip**  
**double and single**  
for low voltage electric installations

**NEW**

**R-SC40-MW-25**  
**R-SC40-MW-25-1000**  
**Metal washer**  
for mounting the concealed steel mesh

**NEW**

**R-SC40-PCR**  
**Pipe and cable plastic clip**  
for M&E applications

**R-SC40-PCO**  
**Pipe and cable plastic clip**  
for applications in electrical installations, water and sewage systems, and HVAC

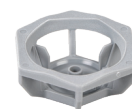

**R-SC40-PC**  
**Nylon clips**  
**double and single**  
for M&E applications

**R-SC40-CB**  
**Nylon cable bow**  
**double and single**  
for wiring and electrical installations

**R-SC40-TC**  
**Nylon clip for twin and earth cable**  
for installing twin and earth cable

**R-SC40-HEX**  
**Plastic universal cable/conduit tie holder**  
for electrical cables, flexible and rigid electrical conduits

**R-MTC-10M / R-MTP-10M**  
**Mounting tape - perforated**  
for hanging and fastening cables, pipes, ducts

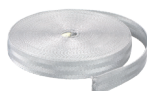

**R-MTT-10M**  
**Mounting tape - textile**  
for cable and conduit fastenings on floors

**R-MTPY-10M**  
**Polypropylene mounting tape**  
textile tape for attaching cables and pipes to floors

**NEW**

**R-MTPP-10M**  
**Polypropylene mounting tape**  
textile tape for attaching cables and pipes to floors

**NEW**

**R-SC40-MH / R-SC40-MHC**  
**Magnet holder**  
for SC40 gas nailer for the barrel of the R-RAWL-SC40II nailer

**R-KIT-WW90/SC40**  
**Cleaning kit for gas powered tools**

# DIRECT AND MANUAL FASTENING SYSTEMS

GAS SOLUTION FOR WOOD

R-WW90II  
**Gas powered framing nailer**  
for timber framing and roofing applications

R-RAWL-B1664  
**Gas powered second fix nailer**  
gas powered straight brad nailer for all second fix applications

R-BAT-073001  
**Rechargeable Li-ion battery**  
7.2V Li-ion battery for fast charging and the highest energy density, increased capacity

NEW

R-CHR-072001  
**Battery charger**  
SC40II WW90II 7.2V-8.4V  
Intended for use with Rawlplug series batteries

R-GP6,  
R-GP6-S, R-GP6-W  
**Fuel Cell for use in R-WW90II**  
fuel cell with green ring around valve for use with WW90II gas powered nailer

NEW

R-RAWL-GP4/SP-RAWL-GP1  
**Fuel cell**  
fuel cell x2 for use in R-RAWL-A2064 or R-RAWL-B1664 second fix nailers

NEW

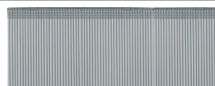

Ring shank paper collated nails with fuel cells  
for timber framing, roofing and other timber applications

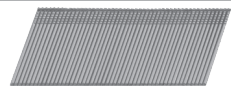

Smooth shank paper collated nails with fuel cells  
for timber framing, roofing and other timber applications

R-HDGT-3838  
**Paper collated joist hanger nails**  
twist shank galvanised nails for metal connector applications

BRADS1619 to BRADS1664  
**Straight brad nails**  
16 gauge straight brad nails for all second fix applications

BRADS2032 to BRADS2064  
**Angled brad nails**  
16 gauge angled brad nails for all second fix applications

R-DRHDG  
**Ring collated nails with fuel cells**  
ring shank hot dipped galvanised nails for timber installation

R-DPHDG  
**Paper collated nails with fuel cells**  
smooth shank hot dipped galvanised nails for timber installation

# 04

## SCREWS

### WOOD

		<p><b>NEW</b></p>
<p>R-PTX <b>Construction screw</b> with countersunk head and partial thread</p> <p>UK CA BBA ETA CE</p>		
		<p><b>NEW</b></p>
<p>R-PVS <b>Construction screw</b> with countersunk head and full thread</p> <p>UK CA BBA ETA CE</p>		
		<p><b>NEW</b></p>
<p>R-QCP <b>Chipboard screw</b> Hardened screws for new generation wood composites and timber</p>		

## CURTAIN WALLS

 <p>R-OCR <b>Self-drilling screws for composite panels, max 6mm</b> zinc flake corrosion-resistant coating</p> <p>UK CA BBA ETA</p>	 <p>R-ONR <b>Self-drilling screws for composite panels, max 12mm</b> effortless fixing to hot-rolled steel substrates</p> <p>UK CA BBA ETA</p>
 <p>R-ORR <b>Self-drilling screws for composite panels, max 18mm</b> zinc flake corrosion-resistant coating for effective protection</p> <p>UK CA BBA ETA</p>	 <p>R-OTR <b>Self-drilling screws for composite panels to concrete and timber</b> double thread type HiLo with cuts</p> <p>UK CA BBA ETA</p>

# 05

## BONDED ANCHORS

### RESIN

 <p><b>R-KEX-II</b> <b>Pure epoxy resin</b> the strongest epoxy resin, regardless of the ambient temperature and concrete retains high strength</p> <p>UK CA BBA ETA</p>	 <p><b>R-KEX-I*</b> <b>Pure epoxy resin</b> high performance pure epoxy resin approved for cracked and non-cracked concrete <small>*Available on Asia market</small></p> <p>UK CA BBA ETA</p>	 <p><b>R-KER-II / R-CFS+KER-II</b> <b>Hybrid resin</b> a versatile hybrid resin for high loads in cracked and uncracked concrete</p> <p>UK CA BBA ETA</p>	 <p><b>R-KEM-II / R-CFS+RM50</b> <b>Styrene free polyester resin</b> the most universal polyester resin for concrete and masonry substrates - solid and hollow</p> <p>UK CA BBA ETA</p>
---	--	--	--

### CAPSULE

 <p><b>R-CAS-V</b> <b>Spin-In Capsule</b> heavy duty anchor with small spacing and edge distances; installed by spinning</p> <p>UK CA BBA ETA</p>	 <p><b>R-HAC-V</b> <b>Hammer-In capsule</b> heavy duty anchor with small spacing and edge distances; installed by hammering</p> <p>UK CA BBA ETA</p>
--	--

### ACCESSORIES

 <p><b>R-STUDS</b> <b>Metric threaded rods</b> suitable for use in solid and hollow substrates with special mesh sleeves</p> <p>UK CA BBA ETA</p>	 <p><b>R-ITS</b> <b>Internally Threaded Sockets</b> for the attachment of suitable bolt or threaded rod</p> <p>UK CA BBA ETA</p>	 <p><b>Manual and automatic Wire Brushes</b> for cleaning out holes prior to anchor installation</p>
 <p><b>R-BLOWPUMP</b> <b>BLOW PUMP</b> for cleaning dust from drilled holes prior to applying bonded anchors or installing mechanical anchors</p>	 <p><b>R-PLS / SP-CE</b> <b>Mesh Sleeves</b> for reduced mortar consumption and optimal mechanical interlock for masonry</p>	 <p><b>R-NOZ</b> <b>Mixer Nozzles</b> static mixer for bonded anchors in cartridges and CFS+ system</p>
 <p><b>Nozzle extension</b> elastic extension pipe for bonded anchors in cartridges and CFS+ system</p>		
 <p><b>R-GUN 600 P</b> <b>Dispenser Gun 600ml</b> for epoxy resins in cartridges</p>	 <p><b>R-GUN 300 N</b> <b>Dispenser Guns</b> for resins 300, 380, 385, 400, 410, 600 ml cartridges</p>	 <p><b>R-GUN-PNEU 380 ml</b> <b>Pneumatic Dispenser Guns</b> for resin anchors in cartridges</p>
 <p><b>R-GUN-380-AKU-T</b> <b>Electric Dispenser Gun for cartridges</b> professional battery-powered cartridge bonded anchors dispenser gun</p>	 <p><b>R-GUN-KEX600AKUDOS</b> <b>Battery Extrusion Gun with Dosing</b> professional dispensing system for resin anchors in cartridges</p>	
 <p><b>R-CFS+-GUN</b> <b>Battery Dispenser Gun CFS+</b> professional dispensing gun for resin in foil packaging</p>	 <p><b>R-CFS-GUN-600-AKU</b> <b>Electric Dispenser Gun CFS+</b> professional electric dispensing gun for resin in foil packaging</p>	

# MECHANICAL ANCHORS

## CONCRETE SCREW

**R-LX**  
**Concrete Screw Anchor**  
self-tapping concrete screwbolt for  
cracked and non-cracked concrete

## THROUGHBOLTS

**R-HPTII-A4**  
**Stainless steel throughbolt**  
for cracked  
and non-cracked concrete

**R-HPTII-ZF**  
**Zinc flake throughbolt**  
for cracked  
and non-cracked concrete

**R-XPTII-A4**  
**Stainless steel throughbolt**  
for non-cracked concrete

**NEW**  
**R-XPTIII-HD**  
**Hot Dip Galvanized  
Throughbolt**  
for non-cracked concrete

**R-XPT**  
**Throughbolt**  
for non-cracked concrete

## RAWLBOLTS

**R-RBL**  
**Rawlbolt - loose bolt** world's most  
popular all-purpose expanding shield  
anchor - loose bolt version

**R-RBP**  
**Rawlbolt - bolt projecting** world's  
most popular all-purpose expanding  
shield anchor - bolt projecting version

**R-RBL-E**  
**Rawlbolt - eye bolt**  
world's most popular all-purpose  
expanding shield anchor

**R-RBL-H**  
**Rawlbolt - hook bolt**  
world's most popular all-purpose  
expanding shield anchor

**R-RB**  
**Rawlbolt shield**  
world's most popular all-purpose  
expanding shield anchor - shield

## SAFETY PLUS

**R-SPL**  
**SafetyPlus - Loose Bolt** high per-  
formance mechanical anchor for non-  
cracked concrete - loose bolt version

**R-SPL-BP**  
**SafetyPlus - Bolt Projecting** high  
performance mechanical anchor for non-  
cracked concrete - bolt projecting version

**R-SPL-C**  
**Countersunk** high performance  
mechanical anchor for non-cracked  
concrete - countersunk version

## DROP-IN ANCHORS

**R-DCA / R-DCA-A4**  
**Drop in anchor** internally threaded  
stainless steel drop-in anchors for  
simple hammer-set installation

**R-DCL**  
**Lipped drop in anchor**  
internally-threaded wedge anchor  
for simple hammer-set installation

**R-DCA-ST-II**  
**Drop In Anchor Setting Tools**  
manual setting tool for drop  
in anchor installation

## ACCESSORIES

**R-LX-TEST**  
**Concrete screw re-usability testing gauge**  
allows to determine whether the product R-LX  
is suitable for re-use

**R-HTW-20-100**  
**Dynamometric Wrench**  
1/2" dynamometric wrench  
for the range of 20-100 Nm

**NEW**

## PULL-OUT TESTERS

**R-TK-D2000-025**  
**Pull-out tester**  
for anchors 25kN

**NEW**

**R-TK-D2050-050**  
**Pull-out tester**  
for anchors 50kN

**NEW**

**R-TK-H2008-145**  
**Pull-out tester**  
for anchors 145kN

**NEW**

# 07

## LIGHTWEIGHT FIXINGS

### FRAME FIXING

R-FF1-N-K

**Frame fixing with collar hex head**

for use in all base material. Screws made of stainless steel, anti-corrosion coating or zinc plated

R-FF1-N-L

**Frame fixing countersunk version**

for use in all base material. Screws made of stainless steel, anti-corrosion coating or zinc plated

R-FFS-N

**Frame fixing with collar hex head**

and the shortest anchoring zone.

Screws made of stainless steel or zinc plated

**NEW**

R-FF1-CAP

**Masking cap for R-FF1 and R-FFS frame fixings**

frame fixings with the SW13 head size, available in many colour versions

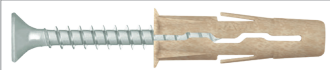

R-WHO

**Frame screws**

for window and door installation

### MULTIPURPOSE PLUGS

Timber UNO®

**Universal plug**

made of 70% wood

**NEW**

UNO®

**Universal plastic plug**

fixed into any base material

UNO®

**Universal plug with screw**

for any base material, solid or hollow

4ALL

**Universal nylon plug**

for all types of substrates

4ALL

**Universal nylon plug with screw**

for all types of substrates

4ALL LONG

**Universal nylon plug with screw**

for all types of substrates

4ALL

**Universal nylon plug with screw**

for all types of substrates

R-RNT RAWLNUT

**Flexi Plug**

easy-to-install plug giving exceptional resistance to vibration and corrosion

GS

**Ceiling wedge anchor**

ceiling wedge anchor

### HAMMER FIXINGS

R-FX-N-C

**Nylon hammer-in fixing with cylindrical flange**

for fast, simple, cost-effective installations

R-FX-N-K

**Nylon hammer-in fixing with mushroom flange**

for fast, simple, cost-effective installations

R-FX-N-L

**Nylon hammer-in fixing with countersunk flange**

for fast, simple, cost-effective installations

R-KMW

**Metal hammer fixing**

for light duty fixings of metal constructions and sheet metal to solid building materials

# 07 LIGHTWEIGHT FIXINGS

## PLASTERBOARD FIXINGS

DRA-01  
**Nylon self drill fixing for plasterboard**

R-DRA-02  
**Metal self drill fixing for plasterboard**

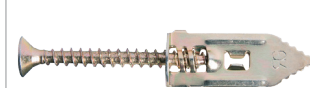

R-SM  
**Intersect Hollow wall anchor**  
For permanent anchorages in cavity walls.  
Zinc-plated metal fixing with metric screw

AT-88  
**Tool for Intersect**  
For easy setting  
of Intersect cavity fixings

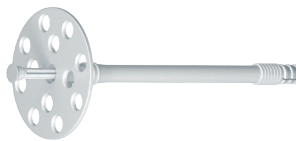

R-SPO  
**Spring toggle**  
spring toggle single  
or double thickness  
plasterboard  
and large fixtures

TAP-IT  
**Hammer-in fixing for plasterboard**

# 08 FACADE INSULATION FIXINGS

## HAMMER-IN

KI-10  
**Facade fixings with plastic pin**  
Hammer-set insulation fixing  
with reinforced plastic nail

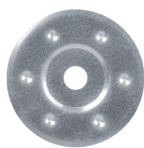

## METAL

MBA / MBA-SS  
**Metal facade fixing**  
fire-resistant metal insulation  
fixing

## WASHERS

MKC / MKC-SS  
**Washers**  
For use in combination  
with metal facade  
fixings from MBA  
range

R-KC  
**Insulation Washers**  
For attachment of  
insulation layers to  
wooden and sheet  
metal substrates

R-KWL  
**Insulation retaining plate**

## ACCESSORIES

R-TFIX-CAP15  
**Insulation caps**  
post-installed EPS polystyrene  
cap reduces heat transmission

R-ISO-PLUG  
**Insulation fixings**  
For fastening lightweight  
fixtures on insulated facades

FTF  
**Fir Tree  
Fixing**

fir tree fixings securely hold back surface  
mounted beads through the reinforcement coat  
and into the insulation

R-HR  
**Scaffolding  
eyebolt**

the ideal interaction of the scaffold eyebolt  
and R-HRK plug allows for a high load-bearing  
capacity, thus providing increased safety

# ROOFING INSULATION FIXINGS

GOK

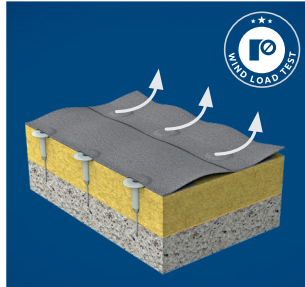

NEW

R-GOK

**Telescopic sleeve with round plate**

for flat roof insulation fixings;  
combined with the screw allows  
application in all types of substrates

## SCREWS

R-WBT

**Screw for concrete** TX25 head  
& specially designed thread for  
fastening to concrete and wood

R-WCS

**Screw for concrete**

HEX head & specially designed  
thread for fastening to concrete

R-WX-T

**Self-drilling screws for steel**  
screw for trapezoidal steel sheet

R-WO-T

**Screws for steel**  
max thickness of 0.9mm,  
TX25 drive

R-WW-T

**Screws for timber** shape and  
type of the thread specially desi-  
gned for fixing to wood, TX25 drive

## WASHERS

R-POK

**Steel washers**

for roofing applications,  
for use with all types of roofing screws

R-POW-05, R-POW-07

**Oval steel washers**

for roofing applications,  
for use with all types of roofing screws

K08L

**Expansion plug**

for roofing applications, for use with all  
types of roofing screws

ADAPTER-MAG

**For steel washers**

adapter for fixing steel washers type:  
POK-040/POK-041

# 10 FOAMS, SEALANTS & ADHESIVES

## FOAMS

**R-RPS  
Hand Held  
Expanding  
Foam**  
self-expanding,  
single  
component  
polyurethane  
foam adhering  
to all common  
building  
materials

**R-RPS-PVC  
Hand Held  
Foam  
- Low  
Expansion**  
single compo-  
nent polyure-  
thane foam  
with controlled  
expansion rate

**R-RPS-500  
Hand Held  
Polyurethane  
Foam**  
universal,  
one-component  
polyurethane  
foam with  
delivery tube

**R-RPP-45  
GUN PU Foam**  
self-expanding,  
single compo-  
nent polyure-  
thane foam  
adhering to all  
common build-  
ing materials

**R-RPP-65  
Super Efficient  
GUN PU Foam**  
high Yield Gun  
PU foam for use  
in all building  
materials

**R-RPP-PVC  
Low Expansion  
Gun PU Foam**  
low expansion  
formula, single  
component  
polyurethane  
foam with  
controlled  
expansion rate

**R-RPP-B1  
Fire Resistant  
Gun PU Foam**  
Fire Resistant  
Gun PU foam  
with EI 240  
classification

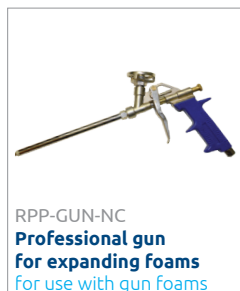

**R-RPP-FIX  
PU adhesive**  
for bonding  
polystyrene and  
other insulation  
materials and  
decorative  
substrates

**R-RPP-MORTAR  
PU mortar**  
for thin joints  
of cellular  
concrete  
in dimensional  
class TLMB,  
hollow ceramic  
blocks and  
silicate blocks

**R-RPC-0500  
Agent for  
removing  
uncured polyu-  
rethane foams**  
high power  
cleaner for  
removing foams  
or adhesives  
and cleaning  
equipment

**RPP-GUN-NC  
Professional gun  
for expanding foams**  
for use with gun foams

## ADHESIVES

**R-MFP-300  
-GREY-UK  
Mortar Fix Pro  
Repair mortar**  
Mortar Fix-Pro  
is a rapid 2 part  
polyester rea-  
dy component  
for repairing  
cracks and  
sealing joints.

**R-MFP-300  
-SAND-UK  
Mortar Fix Pro  
Repair mortar**  
Mortar Fix-Pro  
is a rapid 2 part  
polyester rea-  
dy component  
for repairing  
cracks and  
sealing joints.

# 11

## POS CLARITY

POS TYPE OF PACKAGING

**RAWL POLYBAG**

**UNO CLIP&WRAP**

**B-PACK**
